## FREE Applique Pattern

### Week 4 - 3 Mittens

[paulette@13sites.com](mailto:paulette@13sites.com)

Three mittens for lots of applique fun. All use the same basic mitten, with 3 different decorative options. Well suited for machine applique, feltwork (which is what I designed it for originally), or even paper crafts. Use your imagination, and be sure to share on my blog what you've created with them!
